Purpose

In order to promote cultural awareness and understanding, and to provide diverse experiences to district students, the Board shall admit foreign exchange students into district schools.

Authority

The Board shall accept foreign exchange students who meet the criteria established in Board policy and administrative regulations.

The Board shall accept exchange students on a J-1 Visa who reside within the district as participants in group-sponsored exchange programs approved by the Board. Exchange students on a J-1 Visa shall not be required to pay tuition.

The District is not a Student and Exchange Visitor Program (SEVP)-certified school, and is therefore not permitted to accept or enroll privately sponsored exchange students on an F-1 Visa for attendance.

The Board reserves the right to limit the number of foreign exchange students admitted to the schools based on space availability and qualifying criteria.

Delegation of Responsibility

The Superintendent or designee shall be responsible for determining the visa status and eligibility of foreign exchange students applying for admission to district schools and recommending admission of students to the Board.

All potential organizations or individuals applying for admission shall forward the request to the Superintendent or designee preceding the school year of attendance.

Guidelines

Foreign exchange students shall comply with all enrollment and immunization requirements for students. Once admitted, all exchange students shall be subject to all Board policies, administrative regulations and rules governing all district students.[\[1\]](#)[\[2\]](#)
