

Students have completed their course selections for the 2024-25 school year. Your student worked with a high school counselor to review teacher recommendations and make course selections. Families may review these course selections through the Focus Parent Portal. Please refer to the [Knowledge Base Article](#) which provides direction on how to access this information. We encourage students and parents to share in the decision-making process and to continue conversations about your student's interests, abilities, and plans for the future.

If you would like to request changes to your student's course selections, please submit the [Course Requests Change Form](#) by midnight on Saturday, March 30. Please note that all student course selections for English, Math, Science, Social Studies and World Language will be honored, even if those differ from the teacher's recommendation.

Any questions about your student's teacher recommendations should be directed to the recommending teacher (click [here](#) for the staff directory.) Feel free to reach out to your school counselor with any other questions.

High School Counselors:

[Ms. Courtney Wregget](#), Grade 9, A - Le

[Mr. Tom Marquis](#), Grade 9, Li - Z

[Mrs. Kristin Frommeyer](#), Grades 10 -12, A - E

[Mrs. Bethany Lash](#), Grades 10 - 12, F - Le

[Mrs. Kristin Pardini](#), Grades 10 - 12, Li - R

[Dr. Jennifer Kirk](#), Grades 10 - 12, S - Z
