**2020-2021 academic year PTSO Recap**

*The past year and more has been a challenge for all of us. The HS PTSO was determined to find ways to continue supporting our high school students, faculty and families. While we may not have had as many opportunities as we would have liked, PTSO was thrilled to be able to contribute to the following.....and this could not have happened without the support of everyone that registers and joins the USCHS PTSO!*

- Sponsored the 2020 & 2021 senior yard signs
- Sponsorship of the USCHS Faculty/Staff Appreciation Luncheon
- Sponsorship for the on-line domain for the [St. Clairion - The school news site of Upper St. Clair High School \(stclairion.net\)](http://St. Clairion - The school news site of Upper St. Clair High School (stclairion.net))

**We look forward to once again being able to help sponsor the following and more:**

- Sponsorship of Guest Speakers to expose the kids to real world life experiences and to enhance students' educational experience.
- Launched a new mini-grant program early 2020 aimed at supporting the activity clubs in the High School. Looking forward to getting more involved with this as we head into 2021-2022 school year!
- Monetary support of the online directory which provides free access to families and enables The Council to offer a printed directory option to purchase online.
- A welcome dinner for all new families to the high school/ school district
- Support of the Caring and Sharing, Partners in Education (PIE), Gifted and Talented Education (GATE), Arts in USC, and District Outreach programs;
- Support of the Counseling Support Fund (CSF) to assist students with financial need in our High School
