

## COMMENDATIONS & RECOGNITIONS

June 2022

### **HIGH SCHOOL**

Five Upper St. Clair High School students recently earned Academic All-American awards from the National Speech & Debate Association. Juniors Ansh Goyal, Peer Khan, Jack Miller, Priyanka Palayekar and Daniel Wang have been honored for their academic rigor, competitive speech and debate success, and personal excellence.

### **BOYCE MIDDLE SCHOOL**

A poem written by a Boyce Middle School sixth grader was recently selected for publication in the anthology, "A Celebration of Poets." Suhavi Singh submitted her poem, titled "Freely Free," to the writing contest sponsored by Creative Communication.

"This is an honor, as most students are not invited to be published," Creative Communication Editor Tom Whorthen, Ph.D. said. "This publication brings together the best student authors in the United States."
