

MackinVIA eBooks from DESTINY

Using eBooks from the DESTINY Library Catalog (revised June 2019)

The following are directions to access our new collection of eBooks from the PA eBook Consortium (mostly eBooks from Mackin). *Since this is a NEW initiative*, there may be glitches that we did not anticipate. Please ASK Mrs. Despines or Mrs. Rentschler for help accessing or using eBooks if needed.

1. Go to STUDENT LINKS and click onto the DESTINY link.

2. Type in your search and click the appropriate icon if needed.

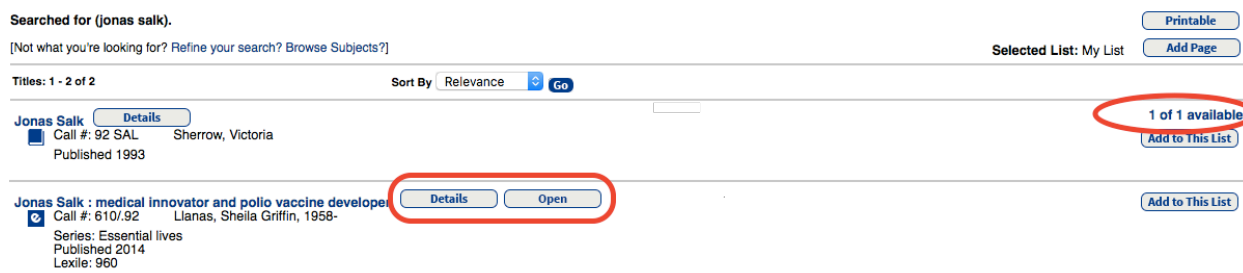

3. Your results list will give you print and eBook resources.

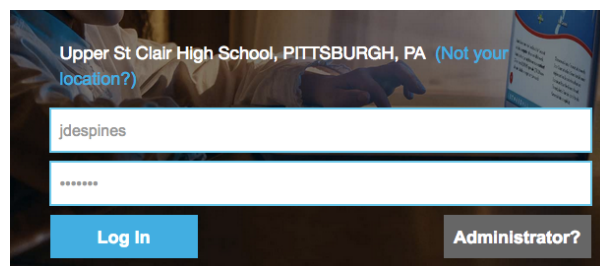

- Print books will be marked available in the right sidebar.
- eBooks will have the OPEN option. If there are eBooks listed on your topic, follow the directions below.

Accessing and Reading eBooks

To access an eBook, click the OPEN button.

You will be directed to the MackinVIA website for the eBook. To login, make sure "Upper St. Clair High School" is showing. If not, type it in. Use **YOUR** USC credentials. Click LOG IN.

You will then see the eBook record. To open the eBook, click OPEN NOW on the right sidebar. (You can click CITE for the citation on the right sidebar. **Make sure to pick MLA 8.**) When you click, OPEN NOW, you will be directed to the eBook reader.
