

Upper St. Clair School District

.....
Upper St. Clair High School

USC

June, 2012

Dear Parent(s) and/or Guardian(s):

The Honors American Civics/Middle Years Programme requires students to perform community service by the second Monday in January, 2013. Because students have traditionally found that time constraints increase with the start of school, we encourage your child to consider completing community service over the summer. Specifically, each student must complete five non-school hours in a suggested service or in one created by the student with my approval. For the MYP students, these required five hours will count toward their required thirty hours of community service. A list of approved organizations has been compiled and is attached to this letter. If a student would like to fulfill the community service this summer, an approved program is offered by the Upper St. Clair Township Library or the Girl Scout Summer Camp. Please call Upper St. Clair Township Library at 412-835-5540 for more information about the Library program. Hopefully, the students will find community service a rewarding experience and will continue to be involved citizens for life.

If you have any questions about the community service requirement for the ninth grade Social Studies students, please call and leave a message on my voice mail (412-833-1600, Ext. 2649). You may also email me at dkirchner@uscsd.k12.pa.us. Please see the attached list for possible volunteer opportunities for students.

Sincerely,

Douglas Kirchner
Curriculum Leader
Social Studies Department
