ZOOM Teen Game Night: 5 Second Rule

There's 5 seconds on the timer for you to name the 3 things listed on the card. Can you name 3 breeds of dogs? Can you name 3 finger foods? That's easy! Well, not quite! 5 Second Rule is the seemingly simple game that gets players tongue-tied as the timer moves and the other players are waiting for your answers. Say what comes to mind and some ridiculous answers will pop out. 5 Second Rule will have everyone laughing!
