General Information

The workshop will focus on building, programming, and strategy skills to prepare middle school students for the FIRST LEGO League Challenge in the upcoming fall season.

Each student will be provided with a LEGO Education SPIKE Prime robotics kit to borrow during the session, allowing for hands-on build and programming opportunities both at the workshop sessions and at home.

Financial Responsibility Acknowledgment

In consideration for the borrowed LEGO Education SPIKE Prime robotics kit, I understand and agree to the following terms:

1. I acknowledge that the cost per student for the workshop is \$150.
2. I understand that I am financially responsible for any missing or broken components of the LEGO Education SPIKE Prime robotics kit during the borrowing period.
3. In the event of loss or damage to the kit materials, I agree to cover the cost of replacement or repair of the specific components, up to the total cost of the LEGO Education SPIKE Prime Set (\$399.95) and LEGO Education SPIKE Prime Expansion Set (\$139.95).
4. All kit materials must be returned in working condition on the last day of the student's session.

By signing below, I confirm that I have read, understood, and agreed to the terms and conditions outlined in this LEGO Robotics Kit Borrowing Agreement.
